nhow
MILANO

vertigo
is finally in
town, baby

What is vertigo?

A super-duper **infinity pool**,
the coolest event location in Milan,
the most glamorous **cocktail bar**,
an incredible **rooftop restaurant** and... well,
a huge instagrammable spot!

750m² of space,
3 circular pools with
a capacity of more
than 150 people,
150m² solarium,
a bar with lounge area.

vertigo

- infinity pool + solarium
- Circular pool
- Semi-circular pool
- Bar

AREA	CAPACITY

vertigo is a fully **customisable & privatizable** space, the most incredible **infinity pool** in Milan and the perfect mix between a raw **industrial architecture** and a refined attention to **design**.

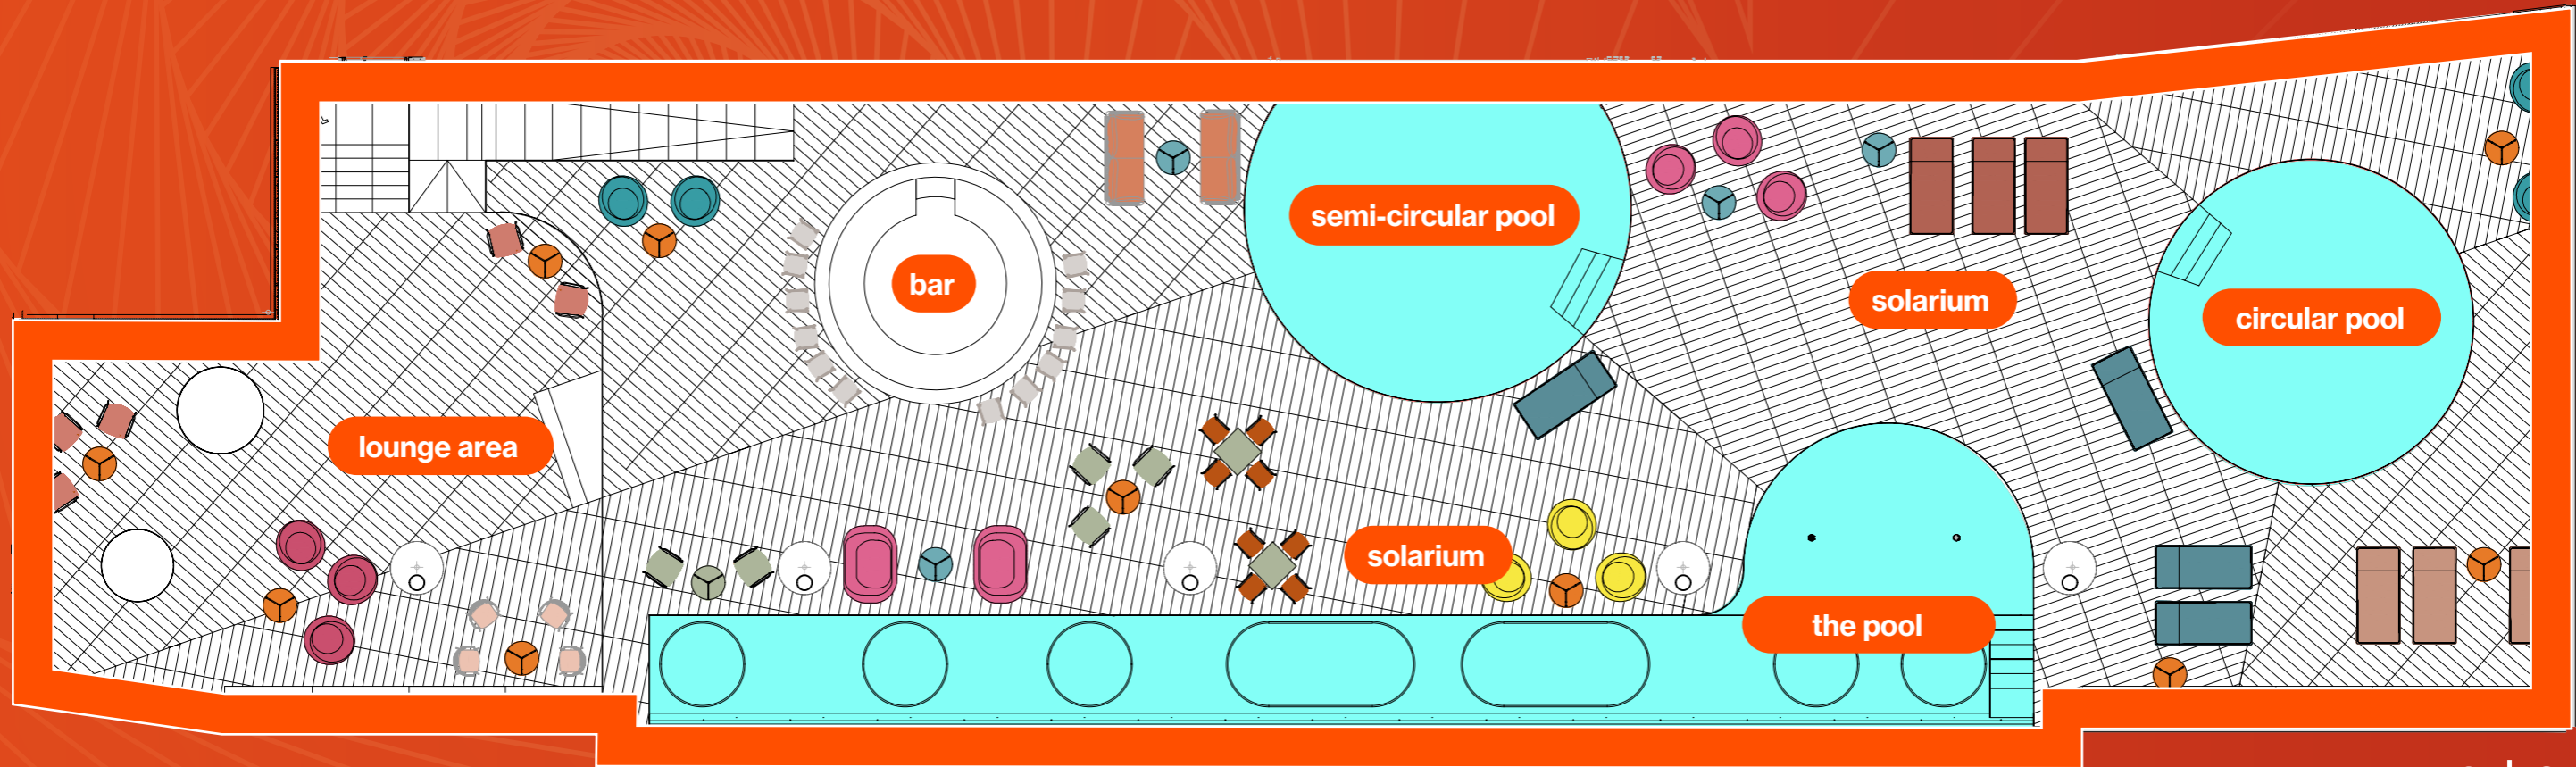

vertigo is a dive into a **dizzying experience**:
prepare yourself to nhow Milano's new vertigo oblivion.

**Discover our
vertigo
offers for your
next event!**

1 vertigoo exclusive

Reserve the entire rooftop exclusively: **750m²** to turn every ideas into a possibility. F&B not included.

2

vertigoo exclusive

with f&b service

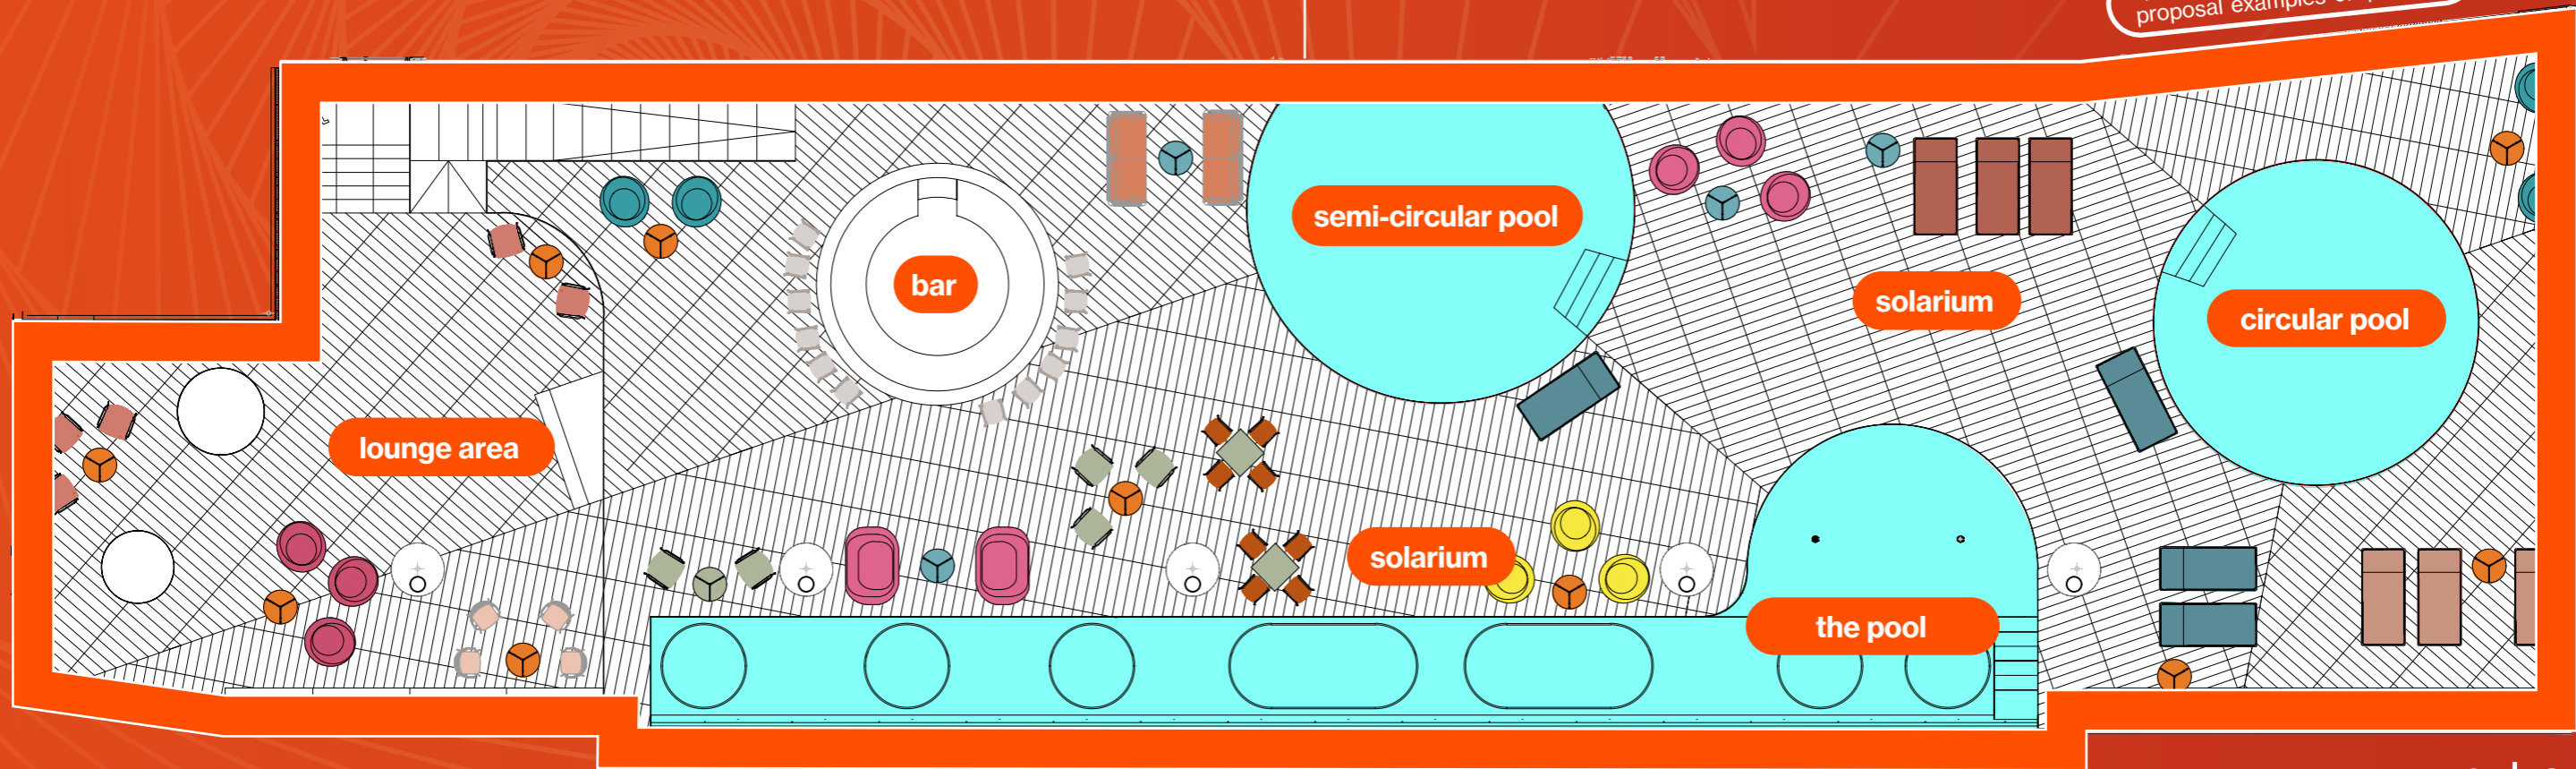

If what you want is everything! Reserve the entire rooftop exclusively: 750m² of space and f&b offer included, for a complete sensory journey.

FOOD Complete the vertigo experience through a culinary journey with the aim of transforming the sensory perception of the location into taste. Through an accentuated contrast of tastes, sensations, combinations and consistencies, the journey will begin with dry snack, then move on to finger food and first courses designed to surprise, culminating in exclusive desserts that amplify every sensation of pleasure*

BEVERAGE Let yourself be seduced on arrival by a cascade of bubbles, then proceed to discover our beverages, which range from mineral water to soft drinks, from prosecco to the most refined wines, whose sensory apex is identified by the iconic dedicated drink list.*

*f&b offer with quantities and proposal examples on page 14

3 Single pool with f&b service

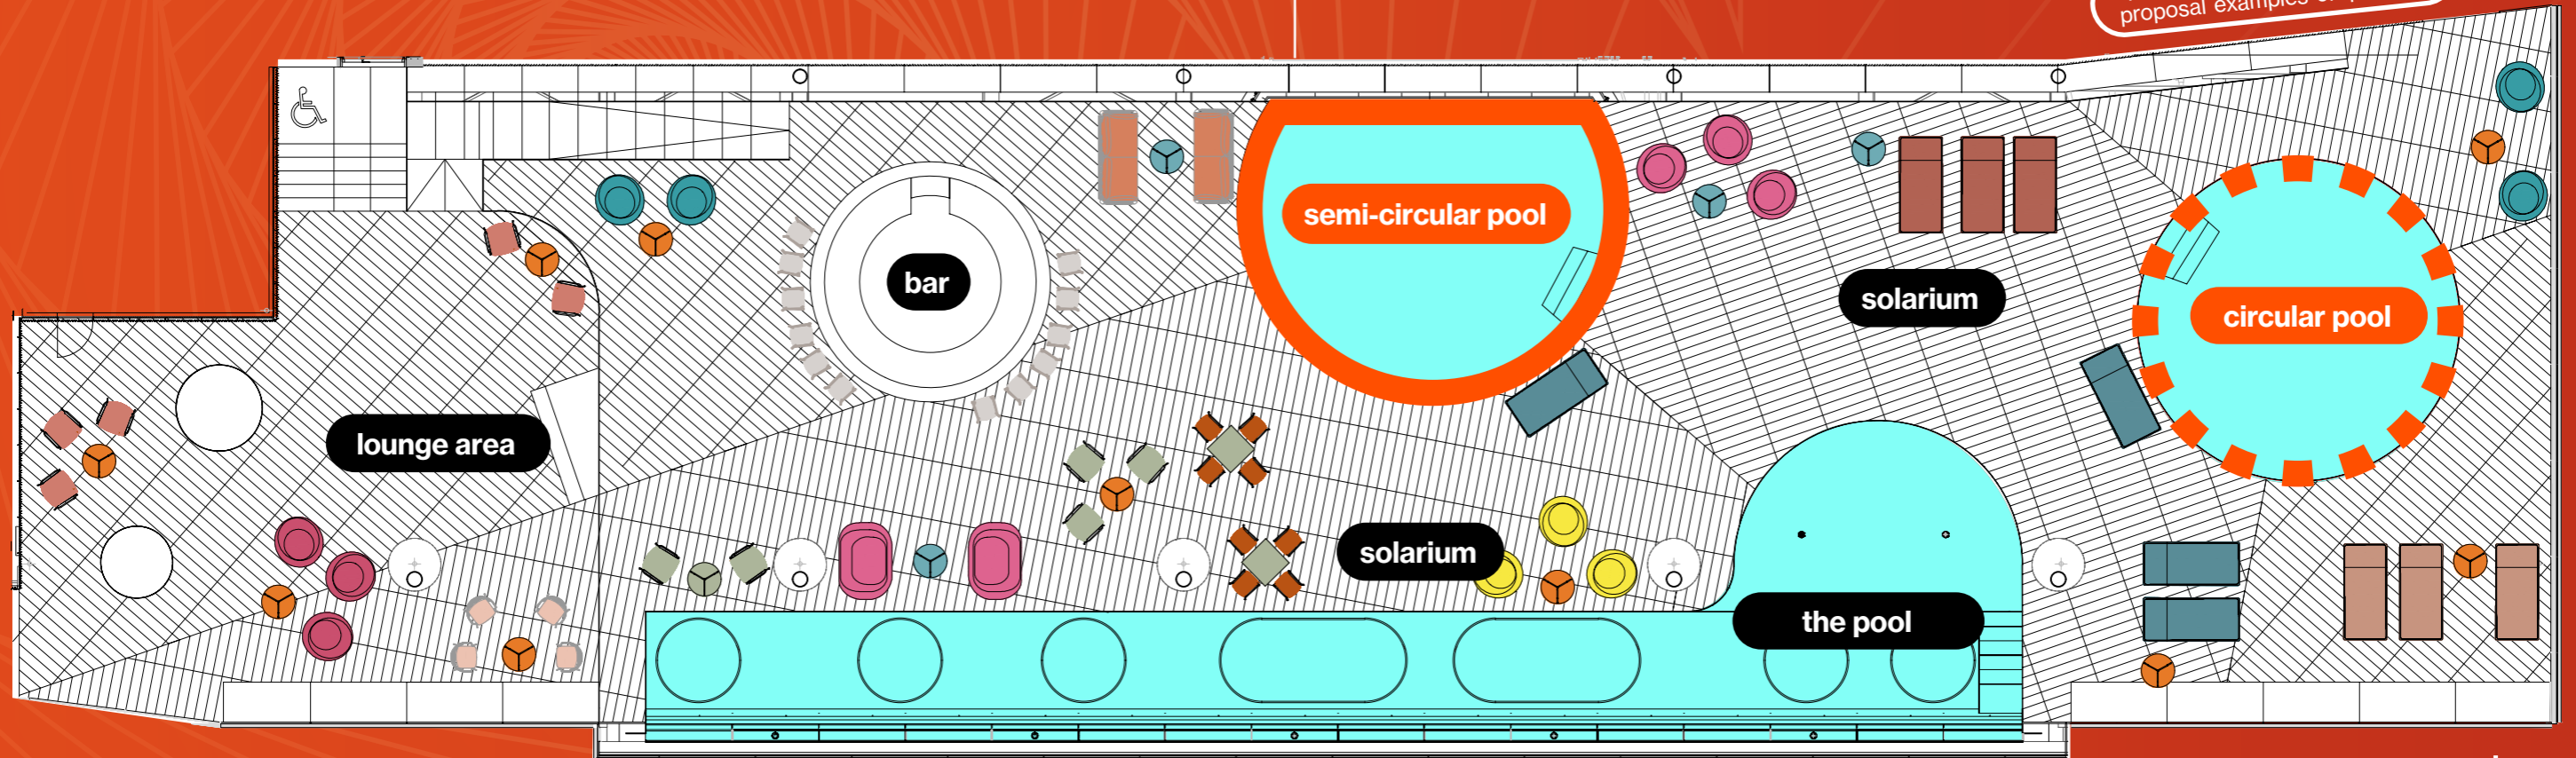

Exclusivity of a choice between circular and semi-circular pools (35 m²) with f&b service. Full, empty, welcoming, refreshing... whatever the need, single pool will satisfy it.
