inspiring rooms

Berlin invites you to paint the town red, but eventually you too will have to go to sleep! Fortunately, this is easy at nhow Berlin, because we have not only the most photogenic but also the most comfortable beds. After a restful night, the colors and shapes of the funky design awaken your senses and prepare you for a creative and energetic day.

taste the beat

like our F&B outlets as well. Start your day with our famous nhow breakfast buffet or enjoy tasty street food from our food truck on our terrace overlooking the river Spree and the Oberbaum Bridge. Unconventional and colorful drinks await you in our envy bar. So lean back and relax while sipping your cocktail and watching the sunset with your loved ones. Soul & funk for plate and mind alike.

europe's first music hotel

nhow is music. nhow is rock 'n' roll: we offer our guests two professional recording studios with top-end professional equipment. Located on the 8th floor, in the crane-like Upper Tower of the building 'suspended' 36 meters above the banks of the Spree, with breathtaking views over the river and Berlin. An ideal location not only for recording and post-production but also team-building events, interviews and record release parties. This is the ideal setting for creativity and productivity.

Been kissed by a muse and need to release your creativity? Order our Gibson Generation Collection Guitar Room Service, absolutely free of charge, and have acoustic guitars brought to your room. More instruments like YAMAHA keyboards are available for you to try - let's play!

nhow music nights

Immerse yourself in art and music at our in-house concerts. Every first Saturday of the month people can meet at the nhow music night to share the passion for the one big love that connects all of us: the music. host a meeting or event

Seven different conference rooms, Berlin's only conference hall with a direct view to the river Spree through windows extending down to the floor, and direct access to the terrace, provide a unique and spectacular venue for your event. Up to 400 people can be accommodated in our 575 m² big halls. Our meeting rooms offer two of the biggest Spree terraces in Berlin, ideal for BBQ & summer parties. Our nhow suite with its private terrace and panoramic view is perfect for private celebrations.
