BPM – BEATS PER MINUTE

Wie in der Musik hat jeder Drink sein eigenes Tempo. Wähle deinen Rhythmus und spüre den Vibe bei jedem Schluck. Die BPM im Drink setzen sich zusammen aus der Geschmacksintensität und dem Alkoholgehalt. Die Kombination aus beidem ergibt die „Stimmung“.

Ambient & Classic (0–60 BPM) – ruhig, cozy & alkoholfrei.
Pop & House (61–119 BPM) – smooth & harmonisch.
Rock & Techno (120–170 BPM) – dynamisch & voller Rhythmus.

Dein Drink. Dein Tempo.

*Like music, every drink has its own tempo.
Choose your rhythm and feel the vibe with every sip.
The BPM in a drink is determined by the intensity of the flavor and the alcohol content. The combination of these two creates the “mood.”*

Ambient & Classic (0–60 BPM) – calm, cozy, and alcohol-free.
Pop & House (61–119 BPM) – smooth and harmonious.
Rock & Techno (120–170 BPM) – dynamic and full of rhythm.

Your drink, your tempo.
