

Bella Pari

@__bellapari

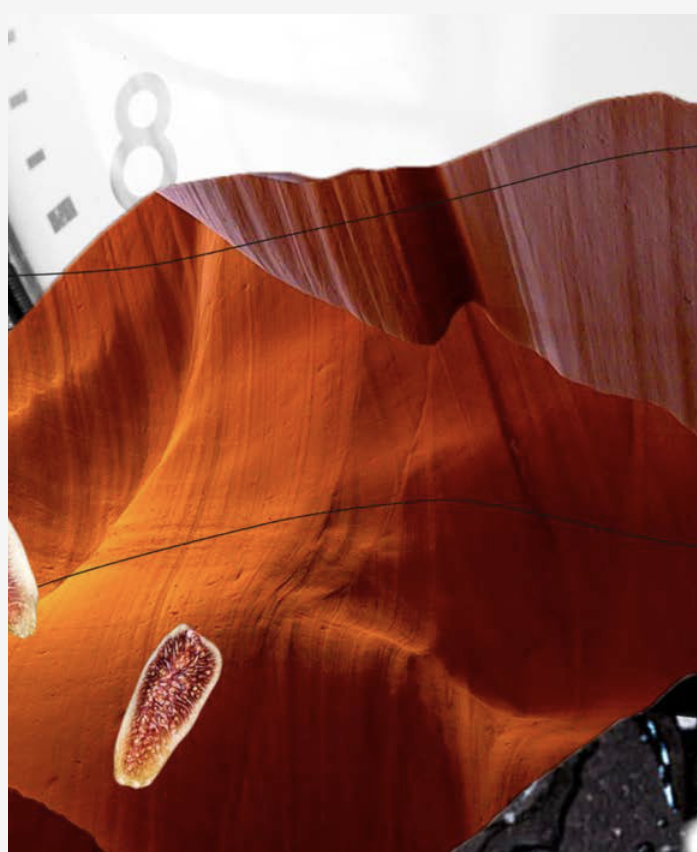

Bella Pari was always interested by art; her first experience was a street art contest at the age of 6 where she won a first price and was given a box of colored chalks. After that biggest moment every free minute was dedicated to creating art, testing new techniques and supports. Bella studied in Brussels art schools Institut Saint-Luc and Royal Academy of Fine Arts. In constant search for visual harmony, she explores different media such as paper, ceramic, textile, digital.
