

Jessica Thacker

Jessica Thacker is an abstract artist living in London, who mostly creates acrylic paintings. She uses music to paint each of her pieces of art, listening to songs that inspire her, putting her own personal interpretations of the music in her work. Her aim is that when others look at her work that they feel moved in some way. When listening to the song that the painting is inspired by, you should be able to feel the energy and vibes from the music. Jessica wants to move and compel people through her paintings. You will find her 44 paintings on the 7th floor of nhow Brussels Bloom and in the lobby of the hotel.
