

Laurence Govaerts

@lau_vago

Lau Vago, whose real name is Laurence Govaerts, is a Belgian artist born in Verviers in 1983 and currently based in Brussels.

Her artistic career began in 2006 while she was studying medicine. Using mainly acrylic and mixed media, she finds in painting a bubble of tranquility conducive to the expression of her creativity. Inspired by movement and light, she transposes onto canvas a subtle dance of pigment and ink, sometimes evoking the lightness of stars and the liveliness of showers.

Her work explores chromatic variations, the play of light and the dynamics of movement. Although she paints regularly, she keeps her works for a long time, sharing them only with those close to her, before deciding in 2022 to exhibit them to the public through her website : www.lau-vago.com, social networks and exhibitions.
