

Sarah Dach

@sarah_dach

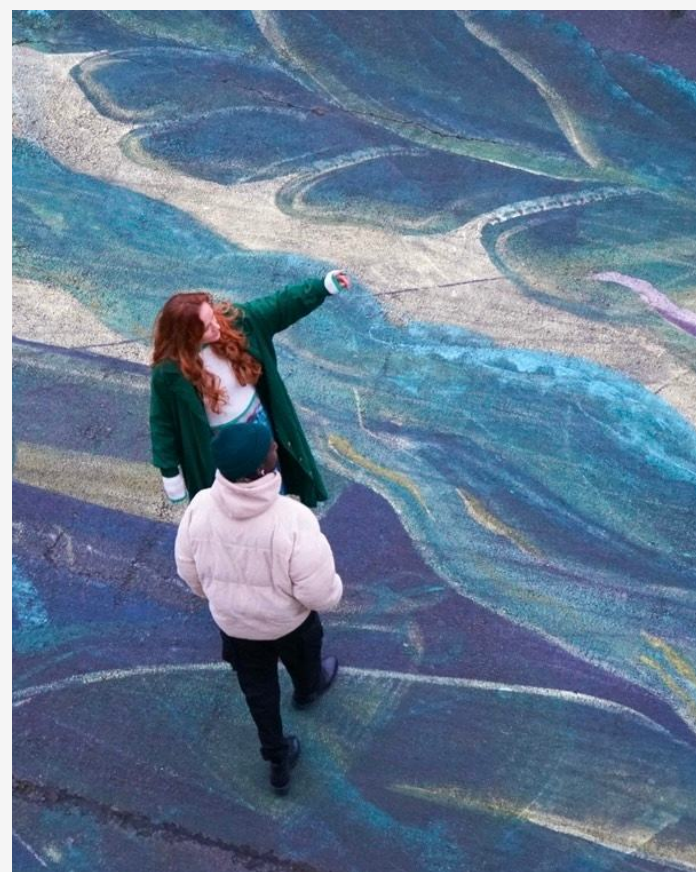

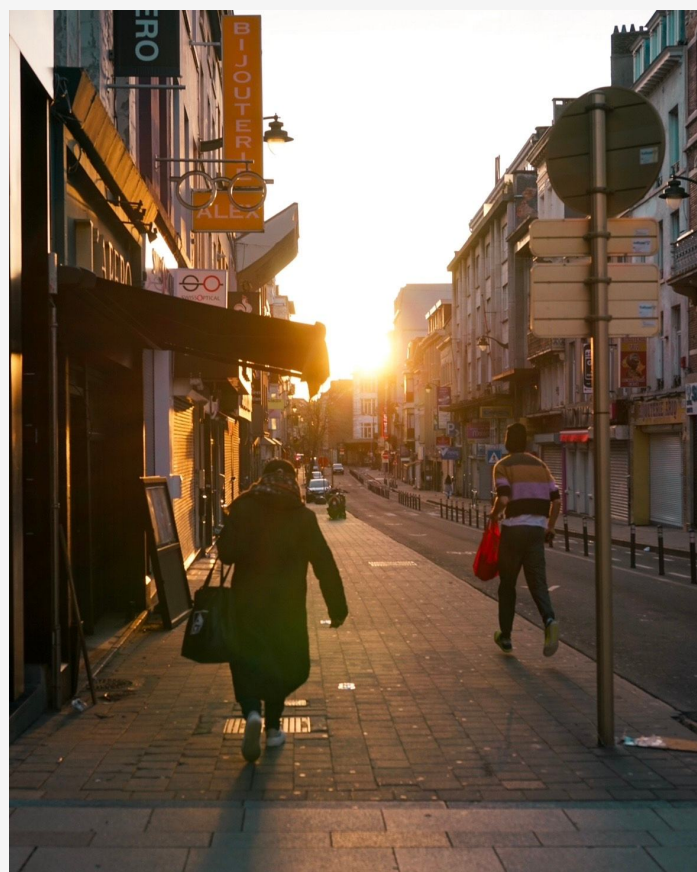

A young photographer with a passion for people and emotions. Through her lens, she captures moments in life, sometimes intense, always authentic, revealing the essence of her subject(s). Her work is a visual testimony to the emotions that connect us. More than just an image, each photo is an invitation to travel with her, to feel what she experienced at the precise moment she pressed the shutter.

bruxellicité will be exhibited in the Atelier at nhow Brussels. The aim is to tell the story of Brussels through a few shots of its bewitching streets, its diversity and its luminous poetry. Sometimes sunny, sometimes greyish, Brussels always interacts subtly between light and shadow, tranquillity and bustle. bruxellicity embodies the very essence of Brussels and everything that makes it unique. Bruxellicity is a state of mind, a special vibe, an art of living.
